## Society for Range Management 65th Annual Meeting

Spokane, Washington  
January 29 - February 3, 2012

### Invitation to submit abstract to Aspen Ecology and Management session at SRM 2012

We have secured a spot on the agenda for the Society of Range Management (SRM) annual meeting in **Spokane, WA, Jan 29-Feb 3 2012**, to discuss aspen issues. This will be a half day session on Thursday, **February 2nd**. It is our intention to get a good mix of presenters to participate.

We welcome presentations relating to aspen ecology and management including but not limited to: successional development, disturbance interactions (fire, pathogens, herbivory etc.), regional scale change detection, conservation strategies, genetics, ecophysiology, climate change and wildlife habitat studies.

Submit your abstract thru the regular SRM process:

<http://www.rangelands.org/spokane2012/>

Please also email a copy of the abstract to Eva Strand ([evas@uidaho.edu](mailto:evas@uidaho.edu)) or Dale Bartos ([dbartos@fs.fed.us](mailto:dbartos@fs.fed.us)).

The cutoff date for official abstracts to be submitted is **August 19, 2011**. Please contact Eva Strand or Dale Bartos if you have questions or would like further information.
